**LOCAL RULES 5.4 AND 5.5 REPORT FOR THE FILING OF SEALED DOCUMENTS**

---

☒ Conference: The parties have discussed the issues of confidentiality raised in this case and the potential need for filing documents under seal. That discussion included the nature of any confidential documents that may be involved in the case, the possibility of using stipulations to avoid the need to file certain documents, and the possibility of agreed-upon redactions of immaterial confidential information in filings to avoid the need for filing documents under seal.

☐ Non-Parties: Because a non-party has produced documents pursuant to a protective order or is otherwise claiming confidentiality over documents filed or expected to be filed in this case, the conference included \_\_\_\_\_ (identify non-party).

☒ Default: The parties certify that few, if any, documents will be filed under seal. The parties agree to use the default procedures of LR 5.4(c). In addition, if the party filing the motion to seal is not the party claiming confidentiality, the filing party must meet and confer with the party claiming confidentiality as soon as practicable, but at least two (2) days before filing the documents, to discuss narrowing the claim of confidentiality. The motion to seal must certify that the required conference has occurred, and the party claiming confidentiality must file supporting materials required by LR 5.4(c)(3) within 14 days of the motion to seal.

☐ Alternative Proposal for Cases with Many Confidential Documents. In order to address claims of confidentiality and reduce the need to file briefs and exhibits under seal, the parties propose the alternative procedure set out in the attached proposal, either jointly or as competing alternatives, for consideration by the Court.
